

FCS Policy Search - Supervisor Academy

- 1) Describe the FCS case transfer process.

- 2) Describe the circumstances under which an FCS case is appropriate.

- 3) Give some examples of poor prognosis indicators and under what circumstances might it be appropriate to open an FCS case when some of them exist.

- 4) What is best practice for length of time on out-of-home safety plans?

- 5) What is to be discussed at the FCS monthly case conference between the specialist and supervisor?

- 6) Describe what documentation is required on an on-going AOCS for closure of and FCS case.

- 7) Describe what should be included in an FCS after-care plan.
